

Missionaries of the Week

Wayne & Dianna Penner/Carver/South Africa

1) Praise! Carver was granted accreditation. This is something they have been working on for a while and is so important for the school. 2) One of our students has faced struggles with health, finances, and time and is making good progress. He is the only believer in his family. He has a strong desire to learn God's Word and share it with others. Prayer for him is appreciated. 3) Pray for our ministry with the international students. It is our desire to be able to point them to the Savior.
