Secondhand Faith (An excerpt from Our Daily Bread, May, 2010)

The Israelites who first entered the Promised Land with Joshua saw the mighty acts of God and believed (Judges 2:7). But sadly, the very next generation "did not know the LORD nor the work which He had done for Israel" (v. 10). So it was not long before they turned aside to worship other gods (v. 12). They didn't make their parents' faith their own.

No generation can live off the faith of the previous generation. Every generation needs a firsthand faith. When faced with trouble of any kind, the faith that is not personalized is likely to drift and falter.

Those who are second, third, or even fourth generation Christians have a wonderful legacy, to be sure. However, there's no secondhand faith! Find out what God says in His Word and personalize it so that yours is a fresh firsthand faith (Josh. 1:8). - C. P. Hia
